# Coincidence

# Coincidence

A paradigm shift (A change in basic assumptions) is needed here.

If the secrecy could be removed it would show that the VA treats me differently from other veterans. The basic pattern is dis-empowering me by character assassination and unnecessary financial hits such as having to buy my own medicine. I cannot see what has been put in my records. I cannot get my living Will and Power of Attorney out of the VA records

This is similar to the patterns of the accountants and their collaborators in Fairfax, Virginia.

It may be a coincidence that I was sent two financial hits from different sources at the same time (Phoenix VA May 10, 2012 - Fairfax illegal lien May 11, 2012

(1) The Phoenix VA's letter of May 10, 2012, buries my application for a poverty pension under confusion.

(2) The Fairfax County, Virginia's, law firm's letter of May 11, 2012, puts an \$27,699 illegal lien against some still unidentified property of mine in Highland, County, Virginia. History suggests that it has been used to takeover my farm.

February 7, 2012, document.

I don't understand why a document received on February 7 would not be mentioned until May 10. Or why it remains unknown. It must be important because it is referenced in four letters:

- (1) "We have received your typed statement on **February 7**, 2012, stating that you wish to withdraw your claim for \*Skin cancer"  
Jeffrey McAdams, May 10, 2012
- (2) "VA withdrew your request for compensation of skin cancer, based on a typed statement that they received on **February 7**, 2012."

- (3) "Statement submitted on **February 7**, 2012 that you would like to withdraw claim for skin cancer."  
Brian O'Neil, May 17, 2012
- (4) "\*VA Form 21-4138, Statement in Support of claim, received **February 7**, 2012"

We did not receive this document. Any notice of tax liens come to us directly from the jurisdiction (locality, state or federal government) or through the court system and would not come from a private firm. If we would have received this document, we would not have responded.

Should you have additional questions, do not hesitate to contact me.

Why pretend to have a lien in a bank in Highland County Why is it impossible to find out what property this lien is actually against?
