

# Creigh Deeds

State Senator Creigh Deeds did not respond

I don't understand why no one will take a position on whether the lien is, or is not, on the individual's property in Highland County, Virginia.

I don't understand this level of non-accountability.

Dear Senator Creigh Deeds,

Would you please ask the Clerk of the Court for Highland County ("Lois Ralston Sheives" <lrals@courts.state.va.us>) to send me copies of any liens or other documents that have been attached to my property after 2010, and to send me the bill?

Thank you

To Whom it may concern:

I have replied to Mr. O'Connell several times.

A quick check shows no liens against any Anthony O'Connell.

The Clerk's Office does not perform title searches against property.
